

Existing buildings

WE WANT to keep Brooks chimney and re-use other buildings on the site

We want to keep the chimney stack as a local landmark

We want to see many of the brick built workshops renovated and re-used

We want to keep the character of the streets just as they are

"Don't let them demolish the chimney stack" *Local resident*

"The chimney is a local landmark and is of high local value"
Montpelier Conservation Group

"The buildings could be re-used as community facilities and live-work units"
Local resident

"Why can't the buildings be re-used. It saves energy and is better for the environment"
